

TUITION GAP, FUNDRAISING & VOLUNTEERING

TUITION GAP

“ Our school community becomes stronger when we work together to achieve our fundraising goals. ”

- We are an independent Catholic High School not financially supported by any individual parish.
- To cover operating expenses & needs of the school each year we rely on tuition, individual donors, fundraising & family involvement

FUNDRAISING

Families play an essential role in closing the tuition gap

➤ How you help with Fundraising

The volunteer arm of HSA is supported by
THE PARENT GUILD

JOIN US! YOU ARE INVITED!

We meet the 2nd Tuesday of the month, September–May

In a spirit of friendship, with food, fun & collaboration we plan and support our volunteer mission.

Parent Volunteers are needed at **3** of HSA's fundraising events

1. **Harvest Banquet**
2. **Encounter the Holy Spirit Retreat**
3. **Fit for Life**

Families have satisfied their volunteer requirements when a parent participates in fundraising roles from any of the 3 events.

At least one Role must be fulfilled with the Harvest Banquet

Fundraising & Family Volunteering = Reduced Tuition

Scenarios to demonstrate when requirements have been met:

1. A parent volunteers in a role at each of the above three events
2. A parent volunteers for 2 roles at any one event, and 1 role another event
3. A husband and wife both volunteer for separate roles at one event, plus a parent fills one role at another event

- Parents will incur a \$500 charge to TADS for unmet volunteer requirements
- A parent who chairs or co-chairs an event satisfies their volunteering by this one role
- As long as you have filled 3 volunteer roles at the above events either by one parent or split between both parents, the requirements have been satisfied
