PRESIDENT'S REFLECTION

Greetings!

It's hard to believe the days are now getting shorter and that we're only six weeks away from the start of the school year. The core staff continues to work diligently throughout the summer preparing for another great year. Many changes are taking place, most notably new teachers coming on board. I'm very excited about our faculty line up, both new and familiar faces, as well as our boys' soccer coach and other exciting developments.

Of course, I'll also avail myself of a little respite with time watching my sons play tennis and softball, and on my annual trip to hang out with my lifelong high school buddies for a long weekend. Please be assured of my gratitude for each and every member of this amazing Holy Spirit community.

In Christ,

Dr. Steve House, President
